Will present a Christmas production of:

A Very Special Christmas Tree

The performance is based on the Illumination Award winning children's book, written by Debra Buchanan.

This wonderful production will be delightful for all ages. The story emphasizes the importance of the true spirit of Christmas—sharing with others.

Synopsis:

Deep in the forest where the fairies dwell, a little pine tree grows among her lush and lofty neighbors. Her branches droop, her needles are sparse, and every other tree towers above her. Her greatest wish is to grow taller and stronger so she will be chosen to stand in a special place for the Christmas season.

After every other tree finds a glorious home for the holiday, the little tree is disappointed to find where she has been taken.

But with the help of a kind man and a wise angel, the little tree discovers the true spirit of Christmas and that her greatest wish has actually come true.

We can hardly wait for your children to bring this story to life on the stage!

The author will be here for a book signing after the performance.

We will coordinate a food drive with the Madison food bank

to help our local families in need.
